Ladies and Gentlemen:

The enclosed Environmental Assessment (EA) has been prepared for a proposed development of Damsfly Fishing Access Site on the Madison River. Montana Fish, Wildlife & Parks (FWP) proposes to develop a 2.25-acre tract of land in order to establish a formal fishing access site that would provide continued public access at this location on the Madison River.

Montana Fish, Wildlife & Parks invites you to comment on the attached proposal. If requested, FWP will schedule and conduct a public meeting on this proposed development. Public comment will be accepted until 5:00 p.m. on April 30, 2011. Comments should be sent to the following:

Damsfly FAS Proposed Development EA

Montana Fish, Wildlife & Parks
